

Enrolling in CCSSO Collaboratives

Thank you for your interest in CCSSO's Collaboratives! We are excited for your state or territory education agency's participation.

CCSSO has modernized the Collaboratives enrollment process as we streamline our internal systems to create greater efficiencies. The new membership enrollment form, hosted through CCSSO's new association management system called Glue Up, is a step in that process.

CCSSO is rolling out this new process in three phases: enrollment, invoicing and rostering.

1. **Enrollment:** First, each state or territory will confirm which Collaboratives you would like to join for the upcoming program year and how many spots you'd like in each Collaborative.
2. **Invoicing:** After you submit the enrollment form, CCSSO will process and send an invoice.
3. **Rostering:** CCSSO will reach out to each enrolled state or territory to submit the names of individuals who will participate in each Collaborative. CCSSO will share guidance on this process in May.

For now, CCSSO is launching the **enrollment phase**. The enrollment form link will go live on April 29. This document walks through that process. Accompanying this document is a PowerPoint deck that visually presents the steps in this process.

Step-by-Step Process for Completing the Collaboratives Enrollment Form

State and territorial education agencies will now register for the Collaboratives in which they plan to participate by completing one enrollment form per Collaborative. On the enrollment site, all Collaboratives are listed. Click on the purple “Become a Member” button to complete the enrollment form for each Collaborative your agency would like to join for the upcoming program year.

Home > Collaboratives Memberships

Collaboratives Memberships

The Council of Chief State School Officers' (CCSSO) Collaboratives are the premier space for state education agency (SEA) professionals to gain invaluable industry knowledge from each other as well as national experts on education subject areas and systems.

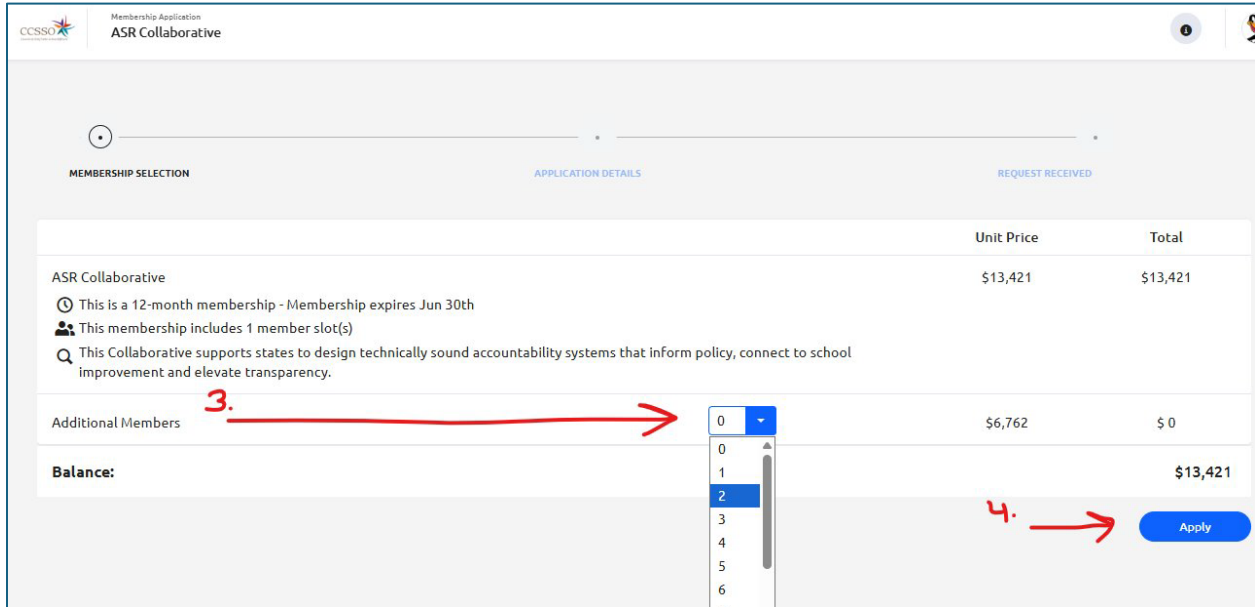

For more than 30 years, CCSSO Collaboratives have been the trusted venue for SEA professionals dedicated to keeping their students on the path to success. Members are able to meet, network and harness the energy of the country's top education experts. With 16 Collaboratives to choose from, these groups can help you meet your state's priorities and support the needs of all students.

The Collaboratives meet consistently throughout the program year, at in-person conferences across the country and through virtual webinars and conferences. Beyond scheduled events, the Collaboratives provide turnkey access to subject matter experts at a moment's notice.

ASR Collaborative This Collaborative supports states to design technically sound accountability systems that inform policy, connect to school improvement and elevate transparency.	 Become a member
ASES Collaborative This Collaborative supports states as they enhance their 21st century assessment, accountability and instruction systems that improve education for students with disabilities.	Become a member
BAS Collaborative This Collaborative strengthens state member capacity to build coherent assessment systems that inform instruction, enhance reporting and support local decision-making.	Become a member

This next page asks for the number of members you would like to enroll in that specific Collaborative. You will not need the names of those individuals at this time. One membership slot is included in the base price. To add more members, open the “Additional Members” drop-down and select the desired quantity.

Note: If you already have a Glue Up account, click “Log In” in the top right navigation. This will sign you in and remove the “Account Creation” section. If you do not have a Glue Up account already, or are unsure, please fill out the form.

If you need a record of the cost per Collaborative before receiving the invoice from CCSSO, please print this screen or save a screen grab of the enrollment form page at this time. You will not receive a confirmation with this information until you receive CCSSO's official invoice.

Click "Apply" to finalize this section of the enrollment form.

The next page of the enrollment form asks for details for your membership.

Note: If you are already logged into your Glue Up account, the top two fields below will auto populate.

Please fill in the below form with your company details.

2026-2027 CCSSO State Collaborative Membership Application

Company Name * Find Company

Start typing your company name and click "Find Company". You must select a company from the list or create a new one to proceed.

State/Province

Who will be the billing contact? The billing contact is the individual(s) in a state/territory/jurisdiction who serves as the main point of contact for Collaboratives invoices.

First Name

Last Name

Formal Title

Email

Notes:

Add any additional details to include on the generated invoice.

Back Apply

The first field is "Company Name," and when you begin to type in your state or territory agency name, you will see it populate in a drop-down list. Please select it there. If you do not see your state or territory agency populate, please contact our Collaboratives team at collaboratives@ccsso.org.

The billing contact is the person who receives and manages the Collaborative invoices for that specific Collaborative. For your state or territory, we understand the billing contact may remain the same across all Collaboratives or may vary from Collaborative to Collaborative. You will need to complete this information for each Collaborative enrollment form.

If your state or territory requires additional details be specified in the invoicing process, such as you need Collaborative member names to be included on invoices for them to be processed, or you need invoices to go to multiple billing contacts, please include that information in the form's "Notes" field.

Finally, click "Apply" to complete the enrollment form.

You are all set!

Next Steps in the Process

Next, CCSSO will send the billing contact an invoice for the enrollments. This should be issued within five business days of the enrollment submission. This invoice will come from the email address Adam.Petermann@ccsso.org.

CCSSO staff will begin providing guidance on the rostering process during the Spring Collaboratives Meeting — Session I in May and continue to offer guidance and support to state and territorial members throughout the year as they enroll and roster members in the Collaboratives.

We look forward to having you join the 2026-2027 Collaboratives program year and learning together!

Frequently Asked Questions (FAQs)

What if I need to list more than one invoicing contact?

Please include that information in the specific Collaborative form's "Notes" field in the enrollment process.

What if I must have Collaborative member names on invoices for them to be processed?

Please include that information in the specific Collaborative form's "Notes" field in the enrollment process.

When can I expect to learn more information about the additional phases in this process, such as Rostering?

CCSSO will be in touch with the billing contact about the invoice within five business days of enrollment and will contact your state with additional information beginning in May regarding the Rostering process.

If you have any additional questions, please contact our Collaboratives team at collaboratives@ccsso.org.
